This is to advise you that, on January 12, 2001, Celtronix Telemetry, Inc. ("Celtronix"), filed a Petition for Review, pursuant to 47 U.S.C. § 402(a), of the following Orders and Public Notices: *In the Matter of Amendment of Part 95 of the Commission's Rules to Provide Regulatory Flexibility in the 218-219 MHz Service, Second Order on Reconsideration of the Report and Order and Memorandum Opinion and Order*, WT Docket No. 98-169, FCC 00-411 (released December 13, 2000); *Order on Reconsideration*, FCC 99-372, 14 FCC Rcd 21078 (1999); *Report and Order and Memorandum Opinion and Order*, FCC 99-239, 15 FCC Rcd 1497 (1999); *Public Notice*, DA 99-3006, 15 FCC Rcd 22 (1999); *Public Notice*, FCC 00-60 (released February 18, 2000); *Public Notice*, DA 00-900 (released April 20, 2000); and *Public Notice*, DA 01-9 (released January 3, 2001). On the same date, Celtronix filed a Notice of Appeal, pursuant to 47 U.S.C. § 402(b), of the same Orders and Public Notices.

Petitioner/Appellant Celtronix challenges the above-referenced Orders and Public Notices, which adopted modified rules regarding installment payment grace periods and late payment fees that apply to 218-219 MHz Services licensees.

The Court has docketed the petition for review as No. 01-1021, and the notice of appeal as No. 01-1022. By Order dated January 17, 2001, the Court consolidated the two cases. The attorney assigned to handle the litigation of these cases is Tom Chandler.
